

# ScotBeer - Aberdeen Pub and History Tour

## Travel Trade Information 2022/23

ScotBeer Tours provides your clients with the opportunity to explore Aberdeen through the history of its liquids...water, beer, whisky and oil! They will discover how each shaped the city we know today and visit local pubs along the way to taste local beer, whisky or gin.

They can then carry on exploring with personalised recommendations and a local pub guide featuring special offers in Aberdeen, Edinburgh and Glasgow.

The Aberdeen Pub and History tour is suitable for both group and FIT clients and is available as a scheduled tour or as a private tour.
